

## HARVEST HOME FAIR 2026

THEME: AMERICA-250

**RE: Harvest Home Fair Vendor Instructions**

Dear Vendors,

Friday	5 pm – 11:00 pm
Saturday	12 pm – 11:00 pm
Sunday	12 pm – 8:00 pm

Thank you for participating in the 2026 Harvest Home Fair. You make the Fair more enjoyable for our guests, and you are part of the fundraising that supports local charities while at the same time promoting your business. You are part of the community fabric and we thank you.

This letter should answer most of your FAQ's regarding set-up and tear down of your booth space.

**Please read these instructions prior to the Fair** and email clarification questions to Gail Goedde-Chin at [HarvestHomeFair.Booths@gmail.com](mailto:HarvestHomeFair.Booths@gmail.com) or call 513-305-7314 or 513-258-3652 if it is the day of set-up.

### **BOOTH LOCATION**

You will be given your booth location when you arrive at the Park on Friday if you haven't already received the information via email. Set up begins at 8:00am each morning. **Go to the Fair Administration Trailer (see map) to pick-up your packet on Friday starting at 8:00am.** Come in the main North Bend Road gate; you will see the trailer to the right as the path ends at the blacktop pavement. The barn will be directly in front of you as you walk in the park. Your packet includes your booth location, gate tickets/wristbands and vendor parking permits.

### **SECURITY / WRISTBANDS**

We have added more security to the fair including bag restrictions, age restrictions, and wristbands. Wristbands are required to enter the fair during operating hours. Vendors will be given wristbands for their volunteers which will allow them to bypass the line of guests waiting to get into the fair. Vendors are also allowed leeway on the baggage restrictions, but bags are subject to search at the gate if workers enter during fair operations. All minors must be accompanied by an adult, at all times. See the FAQ on [harvesthomefair.com](http://harvesthomefair.com) for additional details.

### **SET-UP INFORMATION**

**Booth set-up begins Friday morning, September 5th at 8:00 a.m.** I and/or Stefanie will be there most of the day on Friday and if you need something call 513-305-7314 or 513-258-3652. Remember, it will be noisy as with all the festivities. We may not hear our phones ring but will make a point of watching for missed calls. Make sure to leave a message or send a text if we do not pick-up initially. Your call will be returned. **You are required to have your booth set-up prior to the start of the Fair as our guests pay an admission fee and are entitled to the full experience.**

**Three-day booth rentals must be set-up and ready to go by 5:00 p.m. Friday, September 11<sup>th</sup> prior to the actual start of the Fair.** Three-day booth rentals may, at their discretion, choose to operate their booth on Thursday night, as the Fair will be open after the Harvest Home Parade, 6:00pm – 10:00pm.

-Over-

Each full weekend booth rental is entitled to free passes for people that staff your booth (as specified in the contract). Please understand they are not for your friends, friend's friends or family members who are not working your booth. You may purchase additional tickets for your workers for \$3 each (a \$2 savings over regular gate price). Keep in mind, in addition to being a community gathering event, a goal of the Fair is to earn money that goes back to the community in the form of grants/donations.

**Saturday and Sunday vendors must be set-up on those mornings before the Fair opens at 12 noon.**

## **PARKING**

Vendors may park vehicles with booth supplies in the parking lot and fairgrounds (if it can be reached without damage to the park) while setting up. All vehicles must be removed from the fairgrounds 30 minutes prior to the fair opening each day. **You must park in the designated vendor parking lot during the hours the Fair is open.** One Vendor parking pass will be included in your packet along with your booth assignment and gate tickets. We understand parking is always a source of frustration, but **no vendor will be given multiple parking passes.**

## **FOOD BOOTHS/TRAILERS**

**All vendors selling food must comply with inspection and sanitation regulations set forth by the Hamilton County Health Department as well as any other regulatory permits and appropriate levels of insurance.** This includes having all food handlers wearing gloves and a hat to keep hair out of food. **In the past we had complaints about a few booths not complying; we will be watching this closely for everyone's sake.** This is one of those non-negotiables.

Vendors are prohibited from selling Sodas and Water; all other beverages must be pre-approved by the Association.

## **BOOTH TEAR-DOWN**

**Because we want to offer the full Fair experience to our guests, we ask that you staff your booths during the entire time for which you paid your rental fee.** Booth tear down starts at 11:00 pm on Friday and Saturday nights (assuming individual day rentals) and 8:00 pm Sunday night. While we do have security in the park Friday and Saturday night, we **DO NOT** have security Sunday night. **We cannot be responsible for things left in the park after the close of the Fair on Sunday night.** Commercial Booth vendors are allowed to close their booths at 9:00 pm on Friday and Saturday nights, however is not recommended for vendors that have merchandise due to the risk of theft. No vehicles are allowed on site during the Fair operation.

Again, thank you for being a part of our "BIGGEST LITTLE FAIR IN OHIO!" We are looking forward to a fun-filled and profitable weekend for all.

With much gratitude,

Gail Goedde-Chin, Commercial Booth Chair

Stefanie Hawk, Harvest Home Fair Association President

Donnie Becker, Fair Chair
